This warranty is limited to repair or replacement of boats, at Advanced Marine Inflatables' option, with any of the above described defects during the warranty period. If replaced, Advanced Marine will pay for replacement on a pro-rated basis. Compensation towards replacement costs of a similar AMI boat in first year is 100%, second year is 80%, third year is 70%, fourth year is 60% and fifth year is 50%. This warranty is applicable to the original purchaser of an Advanced Marine Delphin, Advanced Cat or Sport Cat inflatable boat used for recreational purposes, when purchased and registered in the United States through an authorized dealer. This warranty is not transferable. Advanced Marine will make determination of eligibility after inspection of the condition of the boat by an authorized inflatable boat repair center.
